i) Custom miller of same District.

- a) Defaulting millers who failed to deliver entire quantity of CMR due upto KMS 2009-10, shall not be considered for appointment as Custom Miller in the current KMS 2011-12.

the custom millers who have delivered at least 75% CMR due shall be allowed to participate in the KMS 2011-12.

(2) In other districts, the custom miller should have delivered at least 90% of the CMR due, before their appointment.

- c) Collector of the district may enhance the percentage of delivery as pre condition for participation in KMS 2011-12 as mentioned at point-2 considering the arrival of paddy, availability and performance of millers.
- d) If for justifiable reasons any relaxation in percentage of delivery for participation in KMS 2011-12 is required, the Collector of the district shall take prior approval of the OSCSC Head office.
- e) The cutoff date for calculation of percentage of delivery shall be 15th November 2011 in districts where procurement starts in the month of November 2011. In other districts, the cutoff date shall be 30th November 2011.

The delivery position on the cut-off date shall be certified by the District Manager.

- f) After commencement of procurement, some millers will become eligible as per criteria mentioned above due to further delivery of rice after cut-off date. In such cases the custom miller shall be allowed to participate on deposit of required security and solvency certificate but they will be delivered paddy in the following manner :

Millers becoming eligible in the month of December 2011	Paddy shall be delivered eight times equivalent to security deposit
