No: **97/MD** /OSCSC Ltd., Date **21/04/2026**

**Ref: Request for Proposal (RFP) Advt. No. 6414/OSCSC Ltd., Date: 30/03/2026**

With reference to the Request for Proposal published vide RFP Advt. No. 6414/OSCSC Ltd. Dated 30/03/2026 for 'Selection of Service Provider for e-Auction Platform and Related Support Services for Paddy and Rice', the following general changes have been made to the RFP referred above;

| SI No. | Reference Clause No. of RFP              | Existing Provision in the Clause   | Proposed Modification/Addition in the clauses of the RFP  |
|--------|--|--|---|
| 1.     | Clause 8                                 | New Provision added under clause No.8-Scope of Work  | An approximate quantity of 1.00 (One) Lakh Metric Tonnes (LMT) of rice pertaining to KMS: 2024-25 may be offered for sale through the e-Auction process under this RFP. The said quantity is indicative and may vary at the discretion of OSCSC depending upon the operational requirements, availability of stock, and administrative considerations.  |
| 2      | Clause 9, SI No (xv)                     | During the tenure of the contract, the Service Provider shall maintain a Toll-Free Helpdesk and provide email-based support to buyers and OSCSC officials without any additional cost.   | During the tenure of the contract, the Service Provider shall maintain a Toll-Free Helpdesk and provide email-based support to buyers and OSCSC officials without any additional cost. The Helpdesk/Call Centre shall operate during the official working hours of OSCSC as well as during the conduct of e-Auction events. The Service Provider shall ensure that the Help desk to be well equipped to provide multilingual support in Odia, Hindi, and English languages. The number of personnel to be deployed for managing the Helpdesk/ Call Centre may be determined by the Service Provider based on their expertise and anticipated query handling requirements, ensuring efficient and timely resolution of all queries received through calls and e-mails. |
| 3      | Clause-5<br>Schedule for the bid process | <ul style="list-style-type: none"><li>➤ Last Date and time for submission of Proposal: 23/04/2026 at 17:00 Hours through online at <a href="http://www.tendersodisha.gov.in">www.tendersodisha.gov.in</a></li><li>➤ Opening of Technical Proposal: 24/04/2026 by 11:00 Hours at Office of OSCSC Ltd. **Odisha State Civil Supplies Corporation Limited**

| Sl. No. | Name of Service Provider | Clause No. of RFP Page No. | Clause /Requirement Title  | Current Clause /Description  | Query /Suggestion for Change  | Reason for Change / Remarks  | The Clause in the RFP shall remain unchanged. |
|---------|--------------------------|----------------------------|--|--|---|--|---|
| 1       | Antares Systems Limited  | 23                         | 12, Sl. No. 3 Eligibility Criteria "Turnover"                        | The Service Provider should have a Minimum Average Annual Turnover (MAAT) of INR 10 Crore from agriculture-based procurement and disposal, or auction projects executed through e-Auction platforms during the last 3 audited Financial Years (2022-23, 2023-24, 2024-25). Only agriculturebased turnover shall be considered. | We sincerely request to consider MAAT as General Operational Turnover including non Agricultural based procurement and disposal.  | The procedures of e-Procurement are largely uniform across industries, departments, and organizations, as they are governed by guidelines issued by the Central Vigilance Commission (CVC) and various State Governments.<br><br>However, it is observed that the existing eligibility criteria, along with the marks allocated for Technical Presentation and Live Demonstration of the e-Auction platform, may significantly limit participation. Under the current framework, only one or two service providers may qualify and submit bids, which could result in higher quoted rates due to restricted competition. | The Clause in the RFP shall remain unchanged. |
| 2       | Antares Systems Limited  | 23                         | 12, Sl. No. 4 Eligibility Criteria Registered Agri-Business Entities | Minimum 1,000 agribusiness entities / agri-traders registered with the Service Provider as on the bid submission date.   | We are having a vendor database of more than 1000 in general. Hence request to include both "agri-organizations/agri-traders" & Non agri-organizations/agri-traders                             | In the interest of promoting fair competition and ensuring optimal utilization of public funds, it is requested that the eligibility criteria and evaluation parameters be reviewed and suitably relaxed. This would encourage broader participation from capable service providers and likely result in more competitive pricing.   | The Clause in the RFP shall remain unchanged. |
| 3       | Antares Systems Limited  | 23                         | 12, Sl. No. 8 Eligibility Criteria Experience (Trade Value)          | Experience in successful execution of procurement and disposal transactions of minimum cumulative trade value of INR 2000 Crore through e-Auction platforms for Central/State Government or PSU in India during the last 5 financial years (FY 2020-21 to FY 2024-25).   | INR 2000 crores is definitely on the higher side experience that is being asked on eAuction platform.<br>Request to consider both eProcurement & eAuction trade value during the last 10 years. | We request your kind consideration of this suggestion and appropriate action in this regard.   | The Clause in the RFP shall remain unchanged. |
| 4       | Antares Systems Limited  | 24                         | 12, Sl. No. 9 Eligibility Criteria Similar Experience (Trade Volume) | Experience in procurement and disposal of agricultural commodities minimum cumulative quantity of 10 LMT through e-Auction platforms for Central/State Government or PSU in India during the last 5 financial years (FY 2020-21 to FY 2024-25).  | Request to consider similar experience only by changing the minimum cumulative quantity of 5 LMT during the last 10 years   |  | The Clause in the RFP shall remain unchanged. |

|   |                         |    |                 |  |  |  |   |
|---|-------------------------|----|-----------------|--|--|--|---|
| 5 | Antares Systems Limited | 26 | 13.1, Sl. No. 1 | <p>Technical Presentation and Live e-Auction Platform - Minimum Average Annual Turnover (MAAT)</p> | <p>The Service Provider should have minimum average annual turnover (MAAT) of at least INR 10 Cr from procurement and disposal of agricultural commodities projects through e-Auction Platform services during the last 3 audited Financial Years (FY 2022-23, 2023-24, and 2023-24).</p> <p>a. Avg. Turnover <math>\geq</math> INR 10 Cr &amp; &lt; INR 20 Cr - 05 marks<br/> b. Avg. Turnover <math>\geq</math> INR 20 Cr &amp; &lt; INR 50 Cr - 07 marks<br/> c. Avg. Turnover <math>\geq</math> INR 50 Cr - 10 marks</p> | <p>We request that the eligibility criteria for "e-Auction Services" be maintained at 10Cr. Our current pricing model is designed to be highly competitive, offering the department significant value without the exorbitant service charges typically levied by other semi-government providers, such as MSTC, NCDEX or M Junction. By keeping this threshold at 10Cr, the department ensures it continues to receive premium service at a sustainable, cost-effective rate.</p> <p>Request to modify the clause as<br/> a. Avg. Turnover <math>\geq</math> INR 5 Cr &amp; &lt; INR 10 Cr - 05 marks<br/> b. Avg. Turnover <math>\geq</math> INR 10 Cr &amp; &lt; INR 15 Cr - 07 marks<br/> c. Avg. Turnover <math>\geq</math> INR 15 Cr - 10 marks</p> | The Clause in the RFP shall remain unchanged. |
| 6 | Antares Systems Limited | 26 | 13.1, Sl. No. 2 | <p>Technical Presentation and Live e-Auction Platform Registered Agribusiness Entities</p>         | <p>Number of Agribusiness entities, Agri organizations, or Agri traders registered with the Service Provider as on the bid submission date (in numbers):</p> <p>a. <math>\geq</math> 1,000 to &lt; 3,000 - 04 marks<br/> b. <math>\geq</math> 3,000 to &lt; 5,000 - 06 marks<br/> c. <math>\geq</math> 5,000 to &lt; 10,000 - 08 marks<br/> d. <math>\geq</math> 10,000 - 10 marks</p>   | <p>We are having a vendor database of more than 1000 in general. Hence request to include both "agri-organizations/agri-traders" &amp; Non agri-organizations/agri-traders</p>   | The Clause in the RFP shall remain unchanged. |
| 7 | Antares Systems Limited | 27 | 13.1, Sl. No. 4 | <p>Technical Presentation and Live e-Auction Platform Experience - Trade Volume (LMT)</p>          | <p>Experience in procurement and disposal of agricultural commodities/produce through e-Auction platform for transactions in the following cumulative quantities during last 5 Financial Years (FY 2020-21 to FY 2024-25):</p> <p>a. <math>\geq</math> 10 LMT to &lt; 15 LMT - 08 marks<br/> b. <math>\geq</math> 15 LMT to &lt; 20 LMT - 10 marks<br/> c. <math>\geq</math> 20 LMT - 20 marks</p>   | <p>Request to consider similar experience only by changing the minimum cumulative quantity of 5 LMT during the last 10 years</p> <p>Request to modify the clause as<br/> a. <math>\geq</math> 2 LMT to &lt; 5 LMT - 08 marks<br/> b. <math>\geq</math> 5 LMT to &lt; 10 LMT - 10 marks<br/> c. <math>\geq</math> 10 LMT - 20 marks</p>   | The Clause in the RFP shall remain unchanged. |

22

|   |                         |    |  |  |   |   |
|---|-------------------------|----|--|--|---|---|
| 8 | Antares Systems Limited | 27 | 13.1, Sl. No. 5<br>Technical Presentation and Live Demonstration of e-Auction Platform - Relevant Project Experience | Execution of e-Auction service projects for Agricultural Commodity / Produce procurement and disposal for Government Institutions / Organizations / Government Entities during last 5 Financial Years (FY 2020-21 to FY 2024-25):<br>a. 3 projects with different clients - 05 marks<br>b. 3-5 projects with different clients - 08 marks<br>c. More than 5 projects with different clients - 10 marks | Request to consider the experience of execution of e-Auction service project in all kinds of segments/Industries/organizations / departments rather than only Agricultural commodity/produce procurement & disposal.  | The Clause in the RFP shall remain unchanged. |
| 9 | Antares Systems Limited | 27 | 13.1, Sl. No. 5<br>Technical Presentation and Live Demonstration of e-Auction Platform Manpower Strength             | At least 20 full-time professionals with formal qualifications (Graduate/Postgraduate) in Agriculture / Rural Management / IT / Computer Science on regular payroll as on bid submission date:<br>a. 20-50 resources - 2.5 marks<br>b. 50-100 resources - 05 marks<br>c. 100-150 resources - 7.5 marks<br>d. ≥ 150 resources - 10 marks  | Regarding the requirement for 20 full-time professionals with specific degrees in Agriculture or Rural Management, we request a relaxation of these criteria. Our core strength lies in our technical and operational expertise in e-Auction services. Therefore, we propose that the qualification requirements be adjusted to include:<br>• Professionals with IT/Computer Science backgrounds.<br>• Resources with demonstrated relevant experience in supporting and managing e-Auction platforms. The hands-on experience our team possesses in assisting both clients and vendors during live auctions is a more accurate predictor of project success than specific sectoral degrees | The Clause in the RFP shall remain unchanged. |

| S no | Name of Service Provider | RFP Page No | Clause No | Clause/Requirement Title                           | Current Clause/Description   | Query/Suggestion for Change   | Reason for Change/Remarks  | Pre-Bid Query Response   |
|------|--------------------------|-------------|-----------|--|--|---|--|--|
| 12   | NeML                     | NA          | NA        | NA   | NA   | Please confirm if TDS under Section 194(O) shall be applicable even if the winning bidder directly remits the value of the trade to Odisha State Civil Supplies department account without involving the service provider's portal  | Please clarify   | As per the prevailing provisions of Income Tax and GST Act on the relevant date. |
| 13   | NeML                     | NA          | NA        | role and responsibility of service provider        | The system shall provide for unique coding of each auction event, enabling easy linkage and reconciliation of EMD proceeds pertaining to each event.   | GST-TCS won't be applicable as sale consideration will not be routed through the service provider's portal. EMD % is not defined. No clarity on EMD blocking, release of EMD, transfer to OSCSC. How long EMD shall be blocked with service provider. When to release EMD of unsuccessful bidders? Please clarify   | Please clarify   | As per the prevailing provisions of Income Tax and GST Act on the relevant date. |
| 14   | NeML                     | 14          | viii      | role and responsibility of service provider        | The Service Provider shall maintain complete records of all transactions carried out on behalf of OSCSC and furnish the same on demand. MIS reports, as required by OSCSC from time to time, shall be provided.  | Upper clause no (ii) under roles and responsibility page 14 buyer shall make all payment directly to the OSCSC designated bank account. How service provider will maintain complete record of Buyer's off-line payment to the OSCSC. For ease of financial record reconciliation and TDS deduction as per 194(c) clause suggest all financial settlement should be routed through Service provider                            | As per Income Tax TDS rule under section 194(O) even buyers/bidder make fund settlement directly into the seller account. Service provider is responsible for TDS collection and settlement. No clarity on TDS settlement process and role of Service provider. Please clarify | The Clause in the RFP shall remain unchanged.                                    |
| 15   | NeML                     | 31          | 14.2      | Financial model/payment terms                      | OSCSC shall thereafter release 75% of the applicable service charges to the Service Provider immediately upon successful completion of the auction event and submission of invoice by the Service Provider. The remaining 25% of the service charges shall be released after review and recommendation of the Performance Review Committee, based on satisfactory performance of the Service Provider in the conduct of the auction event. | Kindly allow Service provider to deduct the auction service charges from the successful bidders directly from the virtual account   | Since OSCSC is taking performance bank guarantee service value equivalent to @5% of the estimated annual service charge value therefore holding 25% seems irrational.  | As per the prevailing provisions of Income Tax and GST Act on the relevant date. |
| 16   | NeML                     | 8           | 4         | fact sheet: method of selection                    | Method of Selection: Quality and Cost Based Selection (QCBS) under Two Bid System (Technical & Financial) with weightage of 70:30 (Technical: Financial).  | Considering bulk auction in transparent manner, timely disposal and reconciliation of fund and Tax amount (TDS) etc if any shall require responsible agency having robust system, experience and trained team members, trade fulfillment, finance, customer service desk, tech team, business/marketing team. 30% weightage may dilute the service level commitment and compromise with the service delivery. Kindly consider |  | The Clause in the RFP shall remain unchanged.                                    |
| 17   | NeML                     | 7           | 3         | Objective of the RFP                               | OSCSC shall issue the No Objection Certificate (NOC) for lifting of the auctioned stock only after receipt of confirmation regarding credit of the auction sale and confirmation of payment of service charges to the OSCSC account. Accordingly, the lifting of stock by the buyer shall be permitted only after issuance of such NOC by OSCSC.   | This is manual process and there is high chance of error in manual accounting. Service provider shall provide on-line delivery order generation so that there should not be any error in issuing NOC to the buyers for lifting of the stock. This system will reduce manpower work at OSCSC and bring efficiency in the settlement process. Kindly consider this suggestion   | To enhance check and balance. Audit and verifiable settlement records. To reduce manual intervention and errors.   | The Clause in the RFP shall remain unchanged.                                    |

|    | 1 E-Tech Innovative Services Pvt Ltd |              |            |                          | As per the RFP, the Minimum Average Annual Turnover (MAAT) has been calculated based on the last three financial years (FY 2022-23, 2023-24, and 2024-25). In this context, we would like to respectfully submit that in agriculture commodity-based e-auction services, the operating margins are generally very low, and achieving higher turnover within a limited time frame can be challenging despite having relevant experience and capability.<br>Further, since the Financial Year 2025-26 has recently concluded, we request the authority to kindly consider including FY 2025-26 as part of the turnover calculation for determining eligibility. In this regard, we are willing to submit the provisional balance sheet for FY 2025-26, duly certified by a Chartered Accountant, for your consideration. |                             |                           | The Clause in the RFP shall remain unchanged. |
